Nationality
Indian

Visa Status
Open to Relocation (No Visa)

Skills

Languages:
Java, JavaScript, SQL

Frameworks:
Spring Boot, Spring MVC, Hibernate, JPA, J2EE

Backend:
REST APIs, JDBC, JWT

Frontend:
React.js, HTML, CSS, Tailwind

Concepts:
OOP, Data Structures, Collections Framework, MVC, SDLC, Agile

Tools:
Git, GitHub, Maven, VS Code

Cloud:
Render, Netlify, Supabase

Languages
English (Fluent)
Hindi (Native)

Professional Summary

Computer Science Engineering student with strong expertise in Java, Data Structures, and Object-Oriented Programming. Skilled in building scalable backend systems using Spring Boot, JPA, and REST APIs. Seeking a Software Developer role in UAE.

Projects

Linklytics – Scalable URL Shortener (Bitly Clone)
Spring Boot, React.js, PostgreSQL, JWT, REST APIs

- Designed and developed a full-stack URL shortening platform supporting real-time analytics and redirection tracking.
- Built scalable RESTful APIs for URL creation, management, and redirection services.
- Integrated PostgreSQL (Supabase) for efficient data storage and optimized query performance.
- Implemented secure authentication and authorization using JWT and Spring Security.
- Improved application performance through optimized database indexing and query handling.
- Deployed the application using Render (backend) and Netlify (frontend).

Live Demo — Backend API

Spring Boot CRUD Application

- Built REST APIs using Spring Boot and Hibernate/JPA.
- Integrated PostgreSQL with optimized CRUD operations.
- Improved data handling efficiency using ORM techniques.

Experience

Backend Developer Intern
Analyze Infotech, Lucknow

- Developed and maintained backend services using Java and Spring Boot.
- Designed and tested RESTful APIs for application modules.
- Performed debugging and troubleshooting to improve system performance.
- Worked with relational databases using JDBC and JPA.
- Collaborated using Git in an Agile development environment.
- Optimized SQL queries to improve application response time.

Education

Bachelor of Technology (B.Tech) – Computer Science Engineering
Integral University, Lucknow
Expected Graduation: 2026
